- Contain Centralen will only recognise requests for contract transfer with this form duly completed.
- The new contract will be based on the original/historical data from the old contract.
- *A contract transfer fee of £28.22 (excl. VAT) per contract will be charged to the new hirer.*
- In future the new hirer will only be liable to pay the yearly pool fee (only related to long-term hire, sales and repair & maintenance contracts).
- Contain Centralen will not refund any pool fee already paid or credit any pool fee already invoiced (only related to long-term hire, sales and repair & maintenance contracts).
- On receipt by CC of the original transfer contract signed by the new hirer, the contract transfer is completed and registered.
